

La percezione visiva

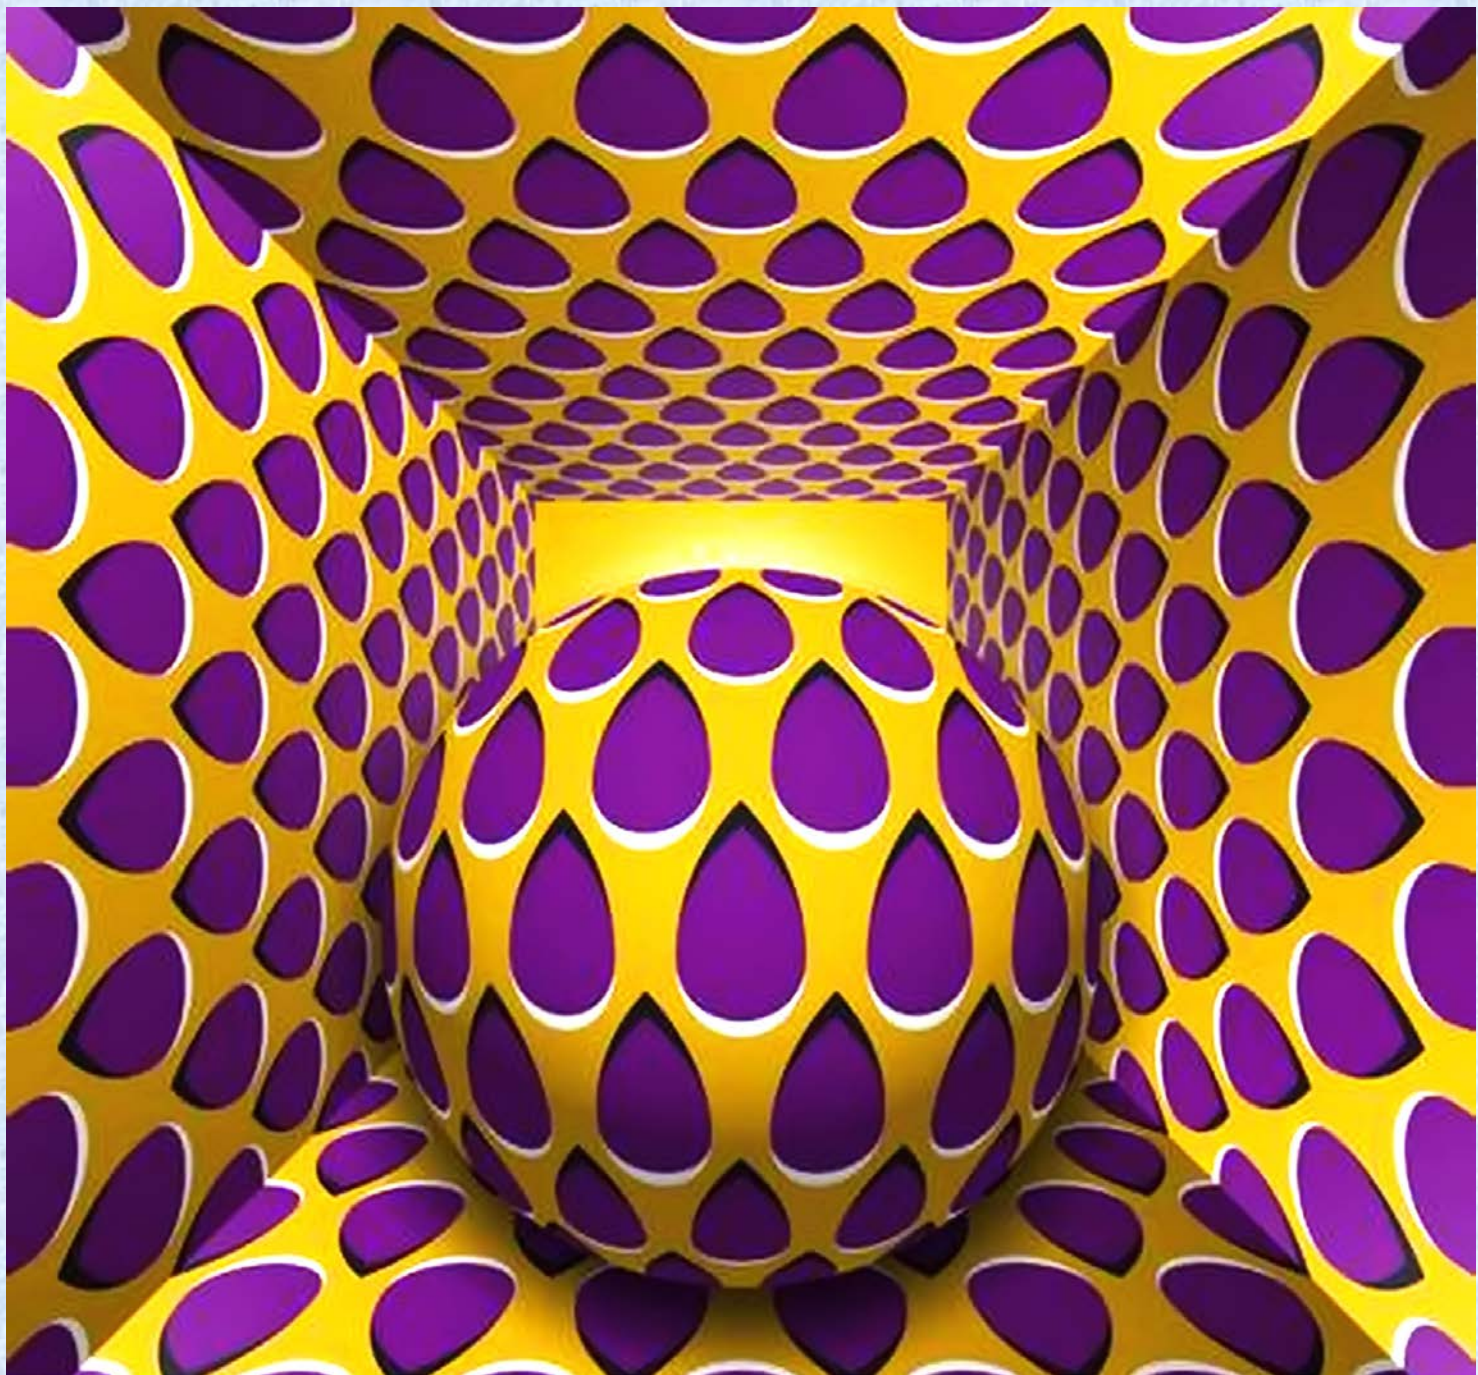

La percezione visiva

L'immagine postuma

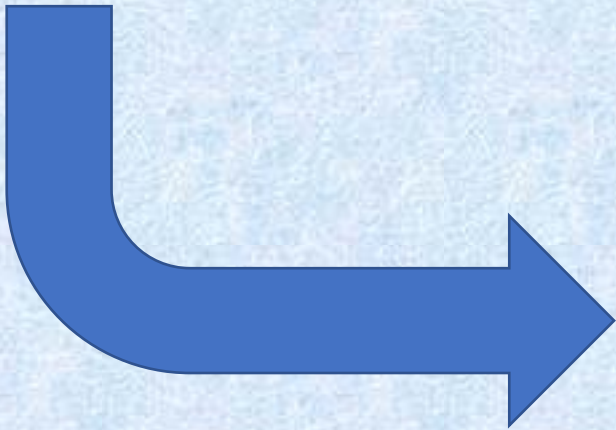

Cosa occorre?

- 4 fogli bianchi
- 3 pennarelli colorati di colore rosso verde e blu
- Un pennarello nero

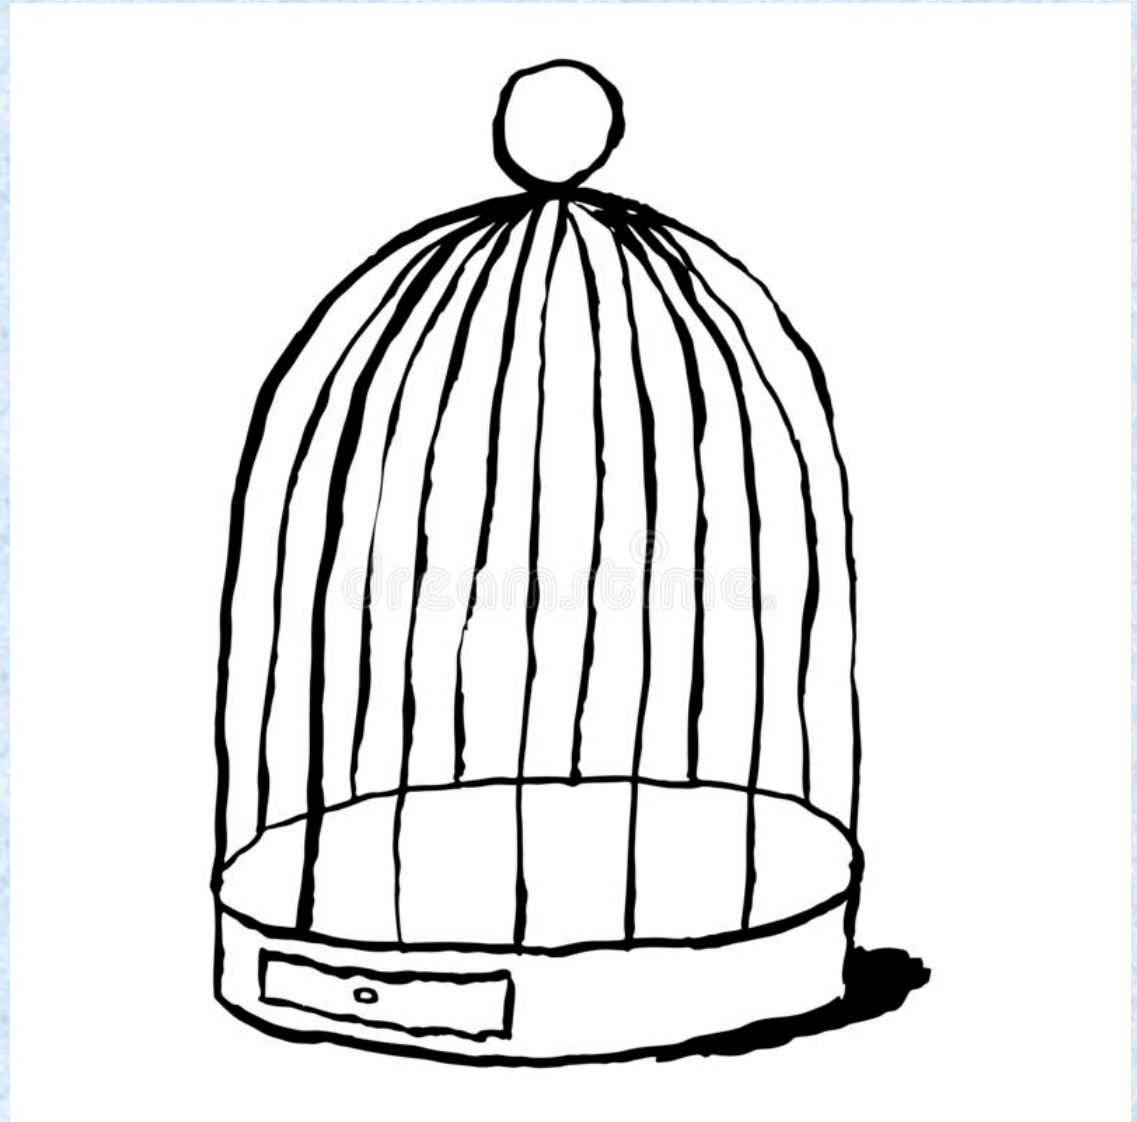

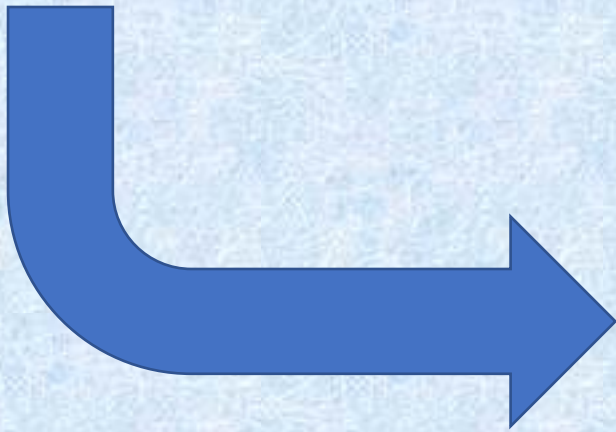

L'immagine postuma

Disegniamo con i pennarelli tre uccellini, ognuno su un foglio diverso

L'immagine postuma

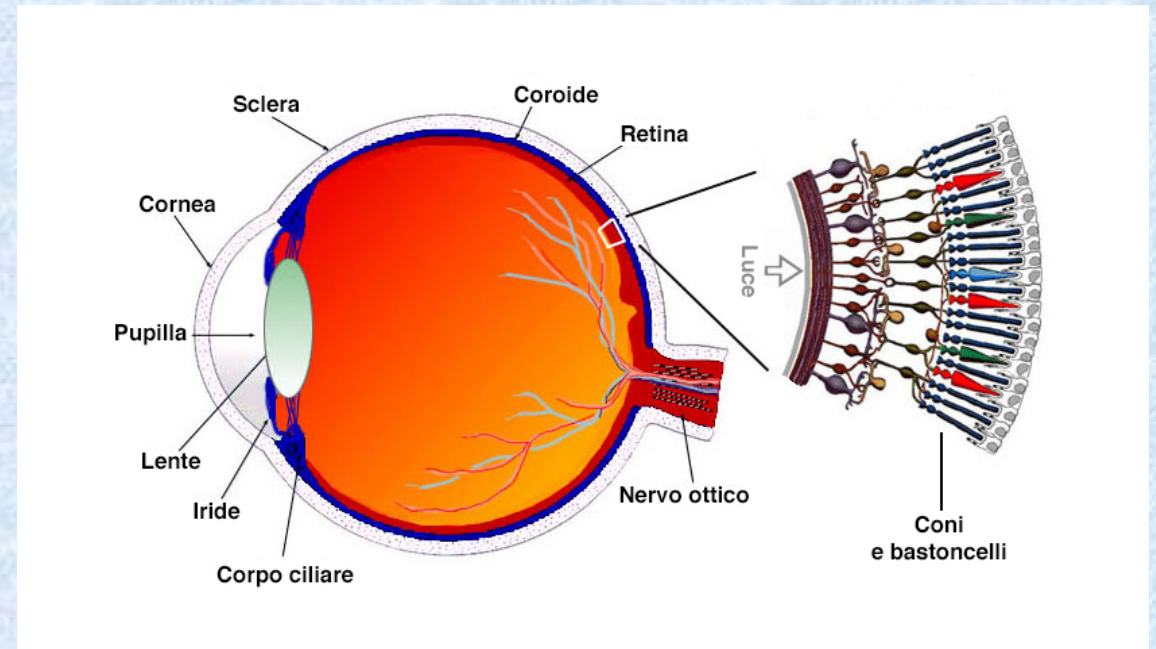

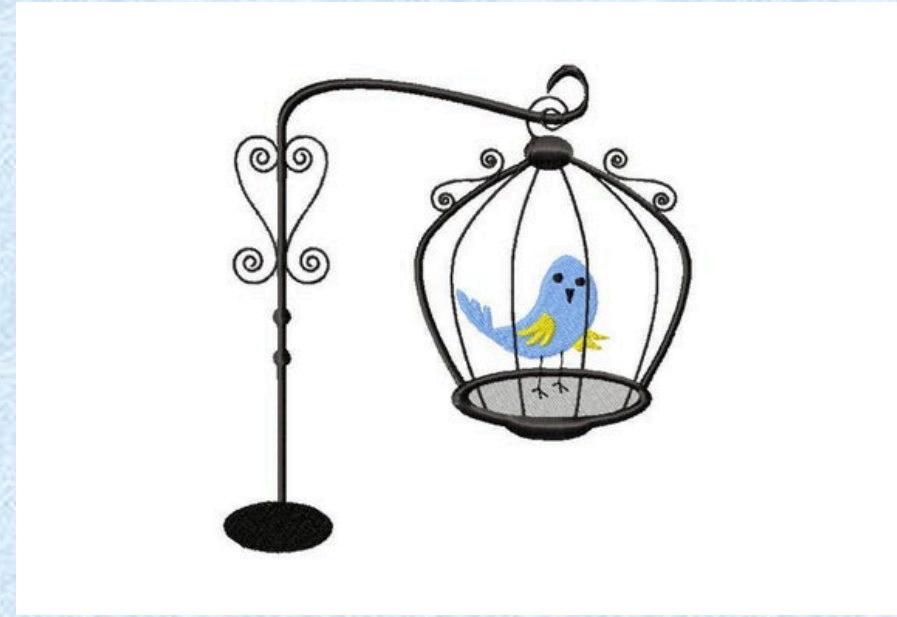

Sul foglio rimasto
disegniamo una gabbia
con il pennarello nero

E adesso.... sperimentiamo!

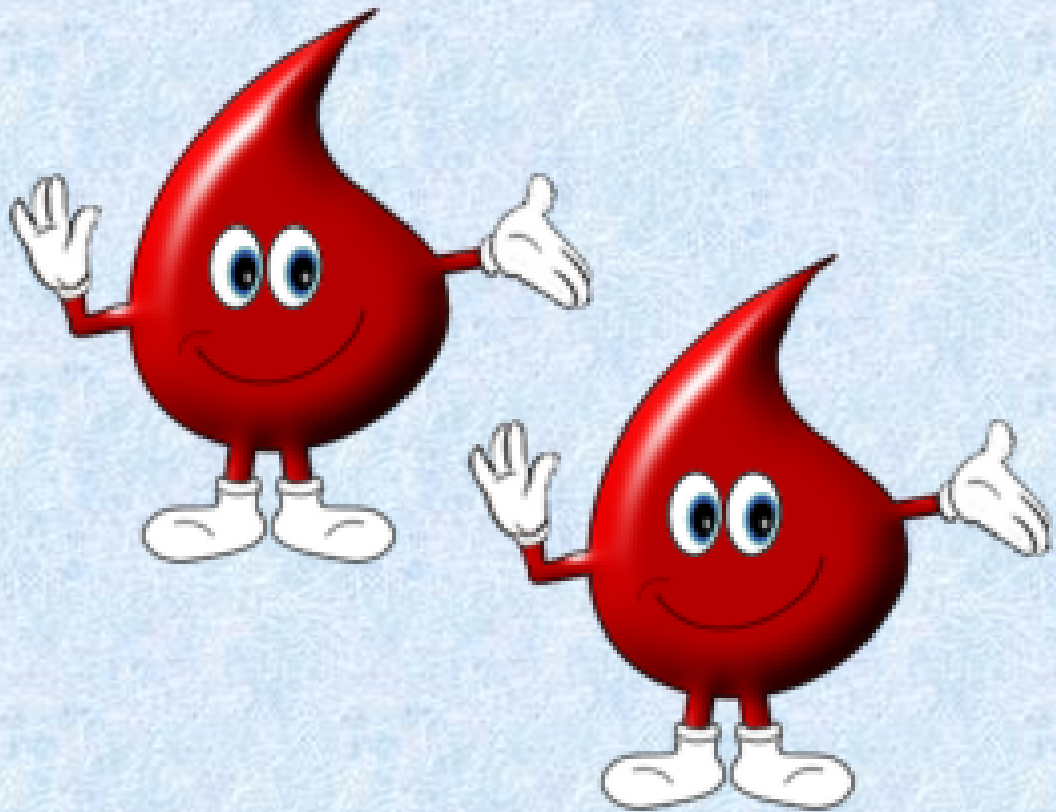

L'immagine postuma

Cosa si nota?

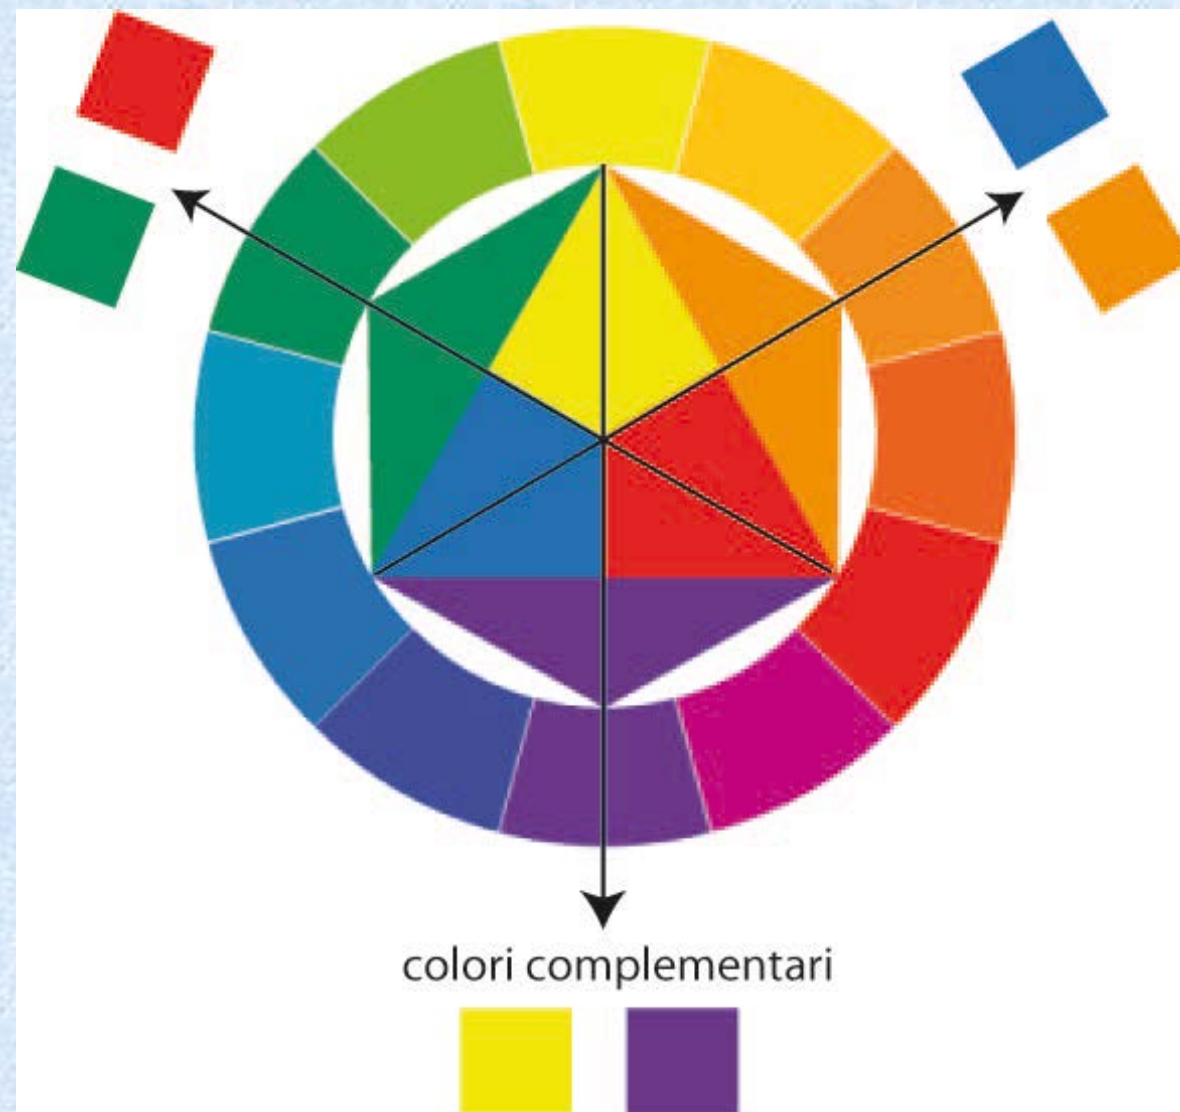

Curiosità

Perché in sala operatoria i camici di medici e infermieri sono verdi?

I colori complementari

Grazie per l'attenzione
